

Research Articles with WIC CEU Credits

Four articles were selected from the *American Journal of Public Health: Supplement 1, 2014, Vol. 104, No. S1* for continuing education unit credit for Montana WIC staff. Each article is worth 1 WIC CEU. They can be found at <http://ajph.aphapublications.org/toc/ajph/104/S1>

The four articles are:

1. "Association of Prenatal Participation in a Public Health Nutrition Program With Healthy Infant Weight Gain"
2. "Gestational Weight Gain and Risk of Infant Death in the United States"
3. "The New Food Package and Breastfeeding Outcomes Among Women, Infant, and Children Participants in Los Angeles County"
4. "The Effects of Breastfeeding Exclusivity on Early Childhood Outcomes"

Kate and I mocked up a new form for submitting a CEU request for things like these articles. Please begin using it.
